Open Class - For boys and girls at least 9 years old and under 18 years old on the day of the show who at the time entries close, have won three (3) first place awards, with competition present, in a Novice Class or if a win in Novice leads to a Best Junior with completion present it will count as one win toward moving to Open in a licensed or member show.

Novice and Open Class Divided: Junior - 9 years old and under 12 years old on the day of the show. **Intermediate** - 12 years old and under 15 years old on the day of the show: **Senior** - 15 years old and under 18 years old on the day of the show

Master Junior Class - This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have won the 10 first place wins in an Open class with competition to be eligible to enter the Limited Class Competition. The calendar for this class will be consistent with the eligibility date for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

Sanctioned Four-to-Six Month Beginner Puppy
ENGLISH COCKER SPANIEL ONLY
Judge Suzanne Dwelly

This is an abbreviated version of the AKC Regulations (regarding the 4-6 Month Puppy competition.) Please refer to the regulation for a full description of this class. One combined class will be offered for dogs that are four months and under six months as described in Chapter 3, Section 1 of the Rules Applying to Dog Shows. There will be a selection of Best of Breed Puppy.

Dogs must be four months of age and under six months. Dogs are required to be vaccinated in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized. AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in Rules applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise. AKC registration number or an AKC litter number will be required for entries of an AKC recognized breed as listed in Chapter 3, Section 1 of the Rules Applying to Dog Shows. Exhibitors should plan on opening the mouth of their puppy for the judges. Classes will not be divided by sex in this competition. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4-6 month Puppy Special Attraction event.

Professional Handlers are not permitted to exhibit in this class. Dogs that are owned or co-owned by a professional handler may compete in this class but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. NATIONAL PERFORMANCE CHALLENGE FAQs

What is the NPC and How is it Determined?
The ECSCA National Performance Challenge (NPC) recognizes dog/handler teams with the top cumulative performance scores at the National Specialty each year. One team will be selected as the overall winner of the National Performance Challenge, along with four runners up. NPC scores will be assigned based on a pre-determined point system, that was established by the ECSCA and is available on its website (https://englishcocker.org/2026-national/).

Each year's NPC is based on qualifying scores at performance events offered at that year's National Specialty. Teams may enter as many events and classes as they are eligible for. However, each event will only be counted once (towards the NPC) regardless of how many times that event is offered, or how many individual classes are offered. When an event is offered multiple times, on multiple days, and/or has multiple classes offered, the highest qualifying score earned for that event will be used in determining the NPC winners. In addition, bonus points will be awarded to teams qualifying in 3 to 7 events. The bonus point system is described on the ECSCA website.

The 2026 NPC Details and How to Be Considered
To be considered for these awards, a team must enter at least 3 events and must qualify in at least 2 of them.
The events offered at the 2026 National that are eligible for the NPC are:

- Hunt tests – 2 days (JH, SH, MH)
- Working test – 1 day (WD, WDX)
- Tracking – 1 day (TD, TDX)
- Agility trials – 2 days [Standard, JWW, FAST, T2B (all levels, regular and preferred)]
- Scent work – 1 day, 2 trials (Novice, Advanced, Excellent)
- Obedience – 1 day [Beg Novice, Novice (includes Preferred and Veterans), Pre-Open, Open, Pre-Utility, Utility, Versatility, Graduate classes (Novice and Open)]
- Rally – 1 day (Novice, Intermediate, Advanced, Excellent, Masters, Choice)

Teams must sign up in advance to indicate which events/classes/dates they have entered. No NPC registrations will be accepted at the show. This information will be used to track each team's results and tabulate scores. There is an online NPC Registration Form to record all your entry information. You will need to create a form for EACH dog you want considered for the NPC. You will receive an acknowledgement for each form you complete. Please keep these for your records.

The link for the NPC Registration Form is on the 2026 ECSCA National Specialty page on the website. The deadline for completing the form is Wednesday, April 8, 2026. No late registration forms will be accepted.

Special note to qualifiers:
Performance events conclude on Thursday, awards are presented before Best of Breed judging on Friday. Plan to stay for the Award Recognition and photographs and to support your fellow performance competitors. NOTE: Awards will not be mailed. If you cannot be there to receive your award, please arrange to have someone else pick it up for you.

Please contact Anne Bentley at anneebc@comcast.net if you have any questions after reviewing information here and on the ECSCA website.
